

We take responsibility for getting to know all cultural and social groups in the community, and proactively reach out to all people for the purpose of helping them achieve the goal of homeownership.

ONE AMERICA

I welcome you and want to do business with you.

I will base my decision and opinions of you on who you are, not on any preconceived stereotypes or ingrained value judgments.

I subscribe to the federal Fair Housing Act and its principles.

I embrace and celebrate the strength that diversity brings to our communities and our nation.

I will help you find opportunities to buy the home you choose.

I will market homeownership to the public and reach out to people who may not know that homeownership is a realistic option.

I will make sure you know there is a full range of housing choices available to you, and encourage you to consider all communities and neighborhoods.

I will make every effort so that we can communicate with each other. If we do not share a common language, I will work with you to find someone who can interpret.

I have incorporated these principles in my daily operations and my overall business plan.

I am here to help you meet your real estate needs because you are the reason I am in business.

Please let me know about any cultural or special needs that you have so that our business relationship will be comfortable and successful.
